

Dear Parents and Grandparents,

Would you like to help add new books to our school library? The Crisp Academy Birthday Book/Video Club is a great way to do just that and honor your child on his/her birthday. Last year we had \$1,240.00 donated to this club!! This money was used to buy NEW accelerated reader books, reference books, and books needed to keep our library current in a variety of subject areas.

When your child, teacher, or someone special has a birthday, honor them with this membership. You simply donate \$20.00 per person and state who you are honoring. On your child's birthday, I will have them come to the library and select a birthday book. A bookplate will be placed in the front of the book. Students will receive a bookmark and certificate on their birthday, and in May all Birthday Club members will be invited to a big Birthday Club party! At that time Birthday Club members will be able to see all the books/videos that have been purchased.

It is amazing to see the contributions this club makes to our school. Be a part of the Birthday Club this year and see what a difference your participation can make!
