

## **CRISP ACADEMY School Closing Policy**

**School Telephone: (229) 273-6330**

School Closings may also be listed on the Crisp Academy web site.

The final decision whether or not to close the school will be made by the Headmaster only. This decision will be determined after consultation with appropriate officials (Crisp County Sheriff's Office and Emergency Management personnel).

If a school day is to be shortened or cancelled, the announcement will be conveyed to all available media outlets, including local and area radio and television stations. The Headmaster or the Assistant Head will be responsible for contacting the media outlets. When available, the school's telephone calling system will be utilized.

Although our school will be in contact with the local campuses including South Georgia Technical College, Darton College, and the Crisp County School System, Crisp Academy will not necessarily be closed when other school systems may be closed.

If no announcement is made in the media outlets, the school will be open.

Please do not call the school staff at home. This only prevents them from making the necessary communication to notify everyone.

**Students, faculty, and staff should never report to school when it is unsafe to do so.**
