

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Monitoring Requirements Not Met for Crisp Academy School (System Name)

Our water system violated a drinking water requirement. Even though this was not an emergency, as our customers, you have a right to know what happened and what we are doing to correct these situations.

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not our drinking water meets health standards. During the compliance period of May 30 to June 12, 2024 we did not complete all monitoring or testing for Total Coliform. Therefore, cannot be sure of the quality of your drinking water during that time.

What should I do?

There is nothing you need to do at this time.

What is being done? [Describe corrective action.]

WE HAVE SINCE TAKEN THE REQUIRED SAMPLE. THE SAMPLE
SHOWED WE ARE MEETING DRINKING WATER STANDARDS.

For more information, please contact Mr. Tim Hathcock at (229) 273-6330 or 150 Crisp Academy Drive, Cordele, GA 31015.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
